

Report 5311.6 – CAPS Investigation Length

Last Updated: 8/4/2008

Report Number: 5311.6
Report Name: CAPS Investigation Length
Agency: DPHHS
Division Using Report: Child and Family Services
Report Sponsor: **Ryan Tofflemire**
Report Type: RDS

Report Summary:

This report summarizes report/referrals with statistical information regarding the investigation duration for abuse and neglect categories. These categories are broken down by the number of allegations reported and allegation findings. The total number of incomplete reports is also reported.

Report Purpose:

The CAPS Investigation Length is used to provide summary information concerning investigation timeliness of CPS reports of abuse and neglect.

Please Note:

Per CFSD policy effective September 2007, Investigation Length is derived from the report received date of a referral and the investigation end date.

DocuAnalyzer Model Available: No
Screens Used to Generate Report: RRD1, RRD2, USMD
Frequency: Monthly
Run Date: 10th Calendar day
Reporting Period: Three months prior to run date. Example: run date is August 8, CCYY the reporting period would be 5/1/CCYY – 5/31/CCYY

Criteria for Extracting Data

It is important to note that the extract programs for this are used by other reports. For this report only the 'CPS' report/referrals will appear.

Report 5311.6 – CAPS Investigation Length

Last Updated: 8/4/2008

- The referral must be received within the reporting period
- The referral must be ‘CPS’
- There must be a person attached to the referral with a client category of ‘CH’ (Child)
- There must be a worker assigned to the report/referral
