**Field Descriptions** (F12) indicates code lookup is available.

### *PROV NO* (F12)

Enter the provider number of the provider you wish to add or view associated provider person details for.

### *PROV NAME*

This field will display the name of the provider whose ID is entered in the PROV NO field.

### *FACIL NAME*

This field will display the name of the facility whose ID is entered in the PROV NO field.

### *SEL*

Enter "I" if you want to inquire on provider person details, "M" if you want to modify provider person details or "D" if you want to delete provider person details. *Enter "S" and press F10 to access the RELL (Relationship List) screen for a provider person. You can then select someone from that screen with a "C" (copy) to carry their person details across to the PRPD (Provider Person Detail) screen.*

### *CAPS-ID*

This field will display the CAPS ID of the associated provider person.

### *LIC NO*

This field will display the licensee number of the associated provider person.

*001=specific to Director, 002=specific to Contact; all other associated persons will have licensee numbers not equal to 001 or 002.*

### *RLT*

This field will display the relationship of the associated provider person to the facility.

### *LAST, FIRST, M.I.*

This field will display the name (last name, first name, middle initial) of the ID displayed in the CAPS-ID field.

### *33*

This field will display “Y” (yes) if the DFS33 form has been received for the associated provider person. If the DFS33 form as not been received for the associated provider person, this field will be blank.

### *33A*

This field will display “Y” (yes) if the DFS33A form has been received for the associated provider person. If the DFS33A form as not been received for the associated provider person, this field will be blank.

### *CRC*

This field will display “YCH” if the criminal check for the associated provider person identified criminal history exists or “NCH” if the criminal check for the associated provider person identified no criminal history exists. If the criminal check has not yet been received for the associated provider person, this field will be blank. *YCH is not an indicator that a license cannot be issued – it depends on the details of that history.*

### *PSC*

This field will display “YPS” if the protective services check for the associated provider person identified protective services history exists or “NPS” if the protective services check for the associated provider person identified no protective services history exists. If the protective services check has not yet been received for the associated provider person, this field will be blank. *YPS is not an indicator that a license cannot be issued – it depends on the details of that history.*

### *AFFILIATION END DATE*

This field will display the date the associated provider person ended their affiliation with the facility.

## **Additional Information**

None.
