

SIRD - SEARCHS Interface Resolution Detail

SIRD is no longer in use as of 9/30/2016.

This screen is only accessible by selecting the CHANGES FROM SEARCHS MUST BE RESOLVED alert. Information that is selected does not replace the information on CAPS, but adds the SEARCHS data as supplemental information.

Field Descriptions (F12) indicates code lookup is available.

CAPS ID (F12)

This field will display the CAPS ID of the client whose SEARCHS information needs to be resolved.

NAME

This field will display the name of the client whose ID is displayed in the CAPS ID field.

INTERFACE DATE

This field will display the date the interface took place.

CAPS DATA

SSN

This field will display the primary CAPS SSN for the client.

BIRTH DATE

This field will display the CAPS date of birth for the client.

NAME

This field will display the CAPS name for the client. *This will be the name in the DECLARED PERSON NAME field on the AKAD (Person Name AKA Detail) screen.*

ADDRESS

This field will display the current CAPS address for the client.

COUNTY

This field will display the county where the CAPS address is located. *This will only display for addresses within the state of Montana.*

PHONE

This field will display the phone number for the client that is associated to the CAPS address.

GOOD CAUSE

This field will display the good cause code, if one exists (GC=good cause exists; CO=good cause does not exist). *Good cause is entered on child support referrals submitted to SEARCHS from CAPS and is used to identify if good cause does/does not exist to pursue child support.*

DANGEROUS

This field will display any potentially dangerous information for the person, if it exists. *Dangerous information is entered on child support referrals submitted to SEARCHS from CAPS.*

SEARCHS DATA

SSN

This field will display the SEARCHS SSN for the client.

BIRTH DATE

This field will display the SEARCHS date of birth for the client.

NAME

This field will display the SEARCHS name for the client.

ADDRESS

This field will display the current SEARCHS address for the client.

COUNTY

This field will display the county where the SEARCHS address is located. *This will only display for addresses within the state of Montana.*

PHONE

This field will display the phone number for the client that is associated to the SEARCHS address.

GOOD CAUSE

This field will display the SEARCHS good cause code, if one exists.

DANGEROUS

This field will display any potentially dangerous information for the person from SEARCHS, if it exists.

Additional Information

If a SEARCHS SSN is selected, this will become the primary SSN in CAPS and the current primary SSN will become the secondary SSN.

If a SEARCHS address is selected, the current address of that type will be end-dated with the date prior to the current date and the SEARCHS address will become the current CAPS address with a start date of current date.
