The CONVERTED (Y/N) field will no longer display.

The FUNDING SOURCE field will no longer display.

The AREI (APS Removal Eligibility Information) screen has been removed and workers will no longer access this screen for an adult client when SHIFT+F1 is pressed on SERN.

The REASON FOR REMOVAL field (F12 lookup) has been moved from the CREI (CPS Removal Eligibility Information) screen to SERN. The REASON FOR REMOVAL field will only be enterable on a removal service (SEMRM). A PRIMARY reason for removal will be required. Up to four OTHER reasons for removal can be entered, and other reasons for removal are optional.

Field workers can press SHIFT+F1 to access the CREI screen in inquire mode. Field workers will no longer have update access to CREI, and field workers will no longer have to complete the CREI screen as part of the removal process. SCS (IVE Unit) and SPF (Program Bureau) staff types will have modify access on the CREI screen.
