

DETL – IV-E Determination List

This screen will list all initial determinations and redeterminations for IV-E, as well as redeterminations of deprivation that have been entered on behalf of a specific client. Information will be displayed in reverse chronological order by Financial Month. Only IV-E unit staff will have update access to this screen.

```

Field Descriptions (F12) indicates code lookup is available.

CAPS ID (F12)

Enter the CAPS ID of the client you wish to add or view IV-E determination details for.

NAME

This field will display the name of the client whose ID is entered in the CAPS ID field.

IF F11 ADD, ENTER TYPE (F12)

Enter the type of determination you would like to add. *A “modified initial” cannot be added if an “initial” does not exist and a “modified redetermination” cannot be added if a “redetermination” does not exist. A new determination cannot be added if an existing determination is still in “pending” status.*

SEL

Enter "I" if you want to inquire on a determination, "M" if you want to modify a determination, "D" if you want to delete a determination or "S" if you want to select a determination. *"Pending" determinations can be modified or deleted at any time. "Approved" or "Denied" determinations can be modified or deleted as long as the modification/delete is being done the same day the determination was placed in "approved" or "denied" status.*

If adding a modified initial or redetermination of deprivation, you must select an existing initial or modified initial with an "S" (select).

If adding a modified redetermination, you must select an existing redetermination or modified redetermination with an "S" (select).

If adding a modified redetermination of deprivation, you must select an existing redetermination or modified redetermination of deprivation with an "S" (select).

FNCL MONTH

This field will display the start month for each determination.

DTRM TYPE (F12)

This field will display the type of determination that was done.

STATUS (F12)

This field will display the current status of the determination.

ADDING WORKER (F12)

This field will display the C number of the worker who initially added the determination.

DATE APP INITIATED

This field will display the date the determination was initiated.

UPDATING WORKER (F12)

This field will display the C number of the worker who last updated the determination.

DATE LAST UPDATED

This field will display the date the determination was last updated.

Additional Information

None.
