F11=ADD LIFE INSURANCE

PATH: _
```

Field Descriptions (F12) indicates code lookup is available.

**NOTE: Only LIFE INSURANCE information can be added onto this screen. Medical insurance information defaults from the MEDS (Medical Summary) screen and must be added/modified on that screen.*

CAPS ID

This field will display the CAPS ID of the client that was entered on the SIID (SEARCHS Initial Inquiry Detail) screen.

NAME

This field will display the name of the client whose CAPS ID is entered in the CAPS ID field.

INSURANCE TYPE

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display MEDICAL. If F11 (add) is pressed, this field will display LIFE.

COMPANY CODE/NAME (F12)

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display the TPL (Third Party Liability) code and name of the insurance company. If F11 (add) is pressed, enter the TPL code/name of the insurance company.

ADDRESS LINE1

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display line one of the address of the insurance company. If F11 (add) is pressed, this field will display line one of the address for the insurance company that was selected in the COMPANY CODE/NAME field.

ADDRESS LINE2

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display line two of the address of the insurance company. If F11 (add) is pressed, this field will display line two of the address for the insurance company that was selected in the COMPANY CODE/NAME field.

CITY/STATE/ZIP CODE

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display the city, state and zip code for the address of the insurance company. If F11 (add) is pressed, this field will display the city, state and zip code for the address of the insurance company that was selected in the COMPANY CODE/NAME field.

POLICY HOLDER ID/NAME(F,M,L)

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display the CAPS ID and name of the policy holder. If F11 (add) is pressed, enter the CAPS ID of the policy holder. The system will default the name of the policy holder. If the policy holder does not have a CAPS ID, enter the name of the policy holder (First Name, Middle Initial, Last Name).

POLICY HOLDER SSN

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display the social security number of the policy holder. If F11 (add) is pressed, enter the social security number of the policy holder.

POLICY NUMBER

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display the policy number for the medical insurance. If F11 (add) is pressed, enter the policy number for the life insurance.

GROUP CERTIFICATION NO

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display the group certification number for the medical insurance. If F11 (add) is pressed, enter the group certification number for the life insurance.

DATE ISSUED

If medical insurance information exists on the MEDS (Medical Summary) screen, this field will display the date the medical insurance policy was issued. If F11 (add) is pressed, enter the date the life insurance policy was issued.

FACE VALUE

If F11 (add) is pressed, enter the face value of the life insurance policy.

CASH VALUE

If F11 (add) is pressed, enter the cash value of the life insurance policy.

Additional Information

None.
